We are a grassroots coalition of doctors, nurses, patients, and community members organizing to put patients, not profits, at the heart of health care.

THE CRISIS IN HEALTH CARE AFFORDABILITY

Costs are too high.

\$3 TRILLION

Americans spent over \$3 trillion on health care in 2015—that's around **\$10,000 per person**.

SAVINGS GONE

At least 12% of insured, working-age Americans report **using up all or most of their savings** to cover medical bills.

DEDUCTIBLE HELL

Deductibles for employer-sponsored plans have **increased 63%** in the last 5 years.

People are hurting.

CANCER PATIENTS

1/3 of insured cancer patients faced out-of-pocket costs that were **greater than expected**.

EVERYDAY PEOPLE

29% of Americans say they or someone in their household had **problems paying medical bills** in the past 12 months.

...BUT NOT CEOs

Top health care CEOs are making more than **\$250 million** a year.

It's getting worse.

MISSING MEDS

People are **skipping doses** and leaving prescriptions unfilled to save money.

ECONOMY SUFFERS

21% of working-age Americans report **cutting back on household items** to pay medical bills.

\$5 TRILLION

Health spending is projected to reach **\$5 trillion by 2025**—an increase of \$2 trillion.
