1. **Take a What Worries You card** from the pile, and be sure to fill it out with a marker and in big letters.
2. **Sign up** on the Right Care Alliance sign-up sheet, so we can stay in touch and let you know about more events and actions to create a system of RightCare.
3. If you are on Twitter, please **tweet** with the hashtag **#RCAW18**. We'd love to see a picture of you with your card, or even your card without you, but please tweet something!

Thank you!
