

Eli Lilly!

**Why have you raised the price of insulin by
1,157% in the last 20 years?**

**No one should have to choose between
buying insulin and buying groceries.**

Dear David Ricks:

This is how insulin prices have affected my life, or the lives of those around me:

We want Eli Lilly to come clean about how much it actually costs to manufacture insulin, and how much profit you make from each vial.
